When you arrive to the San Gabriel Canyon Environmental Education Center, you will see this  to your LEFT. There is NO parking at the Education Center. Instead, please keep driving up the road.

Parking will be in the BLUE boxes to your LEFT (just a few feet away from the Education Center).

Forest Service and Upper Water staff will be meeting/directing people to the designated parking areas (such as above). After you park, walk a few feet down (2-3 minute walk) to the Education Center, where we will have our instructional meeting.
