

**LOS ANGELES COUNTY
SANITATION DISTRICTS**
Converting Waste Into Resources

Teachers: Please ensure your students and chaperones are familiar with the below Tour Guidelines.

LACSD Tour Guidelines

Tour Safety Guidelines

If you are taking a tour of one of the Sanitation Districts' facilities, please note the following safety rules:

- Running or horseplay is not allowed.
- Please help your tour guide by keeping control of your students.
- Tour participants must not touch equipment, push buttons, or go beyond any type of barriers (cones, warning tape, saw-horses, etc.)
- All tour participants must remain with the group. Tour participants must not leave the group to explore other areas.
- If a tour group is not cooperating with the guide and these tour safety rules, we will end the tour.
- Please wear proper shoes (no heels, sandals or other open toed shoes).

Student Groups

- For Grades 5-8, please provide at least one adult chaperone for every 10 students.
- Please make sure an adult is in BOTH the front and back of the group to assist and direct students.
- Students must be chaperoned at all times while on LACSD Property.

Additional Instructions for Treatment Plant Tours

- Tour participants must not sit, lean, or climb on rails.
- Never trust aluminum or fiberglass covers on tanks that support your weight. Of course, this does not include tread plates or grates. They are safe to walk on.
- Tour participants should wash their hands after visiting the plant, especially prior to eating.
- Smoking and/or vaping in and within 20 feet of a government building door or window is illegal and strictly prohibited.
- Do not touch or collect any items from the ground or any areas on property while touring the facility (ie. rocks, sticks, plants, etc.)
